

Abacus announces \$1,200,000 financing

Vancouver, BC – February 28, 2018. Abacus Mining & Exploration Corporation (“Abacus” or the “Company”) (TSXV: AME) is pleased to announce a non-brokered private placement for proceeds of up to \$1,200,000 through the issuance of 6,000,000 units (“Units”) at a price of \$0.20 per Unit. Each Unit will consist of one common share of the Company (a “Unit Share”) and one non-transferable common share purchase warrant, with each warrant exercisable to purchase one common share of the Company at a price of \$0.30 per common share for a period of 3 years from the date of closing of the financing.

The financing is subject to TSX Venture Exchange (TSXV) approval. No finder's fees are payable on the financing, and all securities issued will be subject to a four month hold period under Canadian securities law.

Proceeds from the financing will be applied towards the drill program at the Company's Willow project in Nevada, and general working capital and corporate purposes.

An updated corporate presentation detailing the new drill target on the Willow porphyry copper project is now available on the Company's website.

About Abacus

Abacus is a mineral exploration and mine development company currently focused on its optioned Willow copper-gold property located near Yerington, Nevada in which it can acquire up to a 75% ownership interest, and the contiguous Nev-Lorraine claims subject to a ten year lease agreement. The Company also holds a 20% ownership interest, together with KGHM Polska Miedz S.A. (80%), in the proposed copper-gold Ajax Mine located southwest of Kamloops, B.C., which has recently undergone a joint provincial and federal environmental assessment process. The Ajax project awaits a final decision from the Federal Cabinet on whether the project can proceed. On December 14, 2017, a decision was made by the B.C. Minister of Environment and Climate Change Strategy and Minister of Energy, Mines and Petroleum resources to decline to issue an environmental assessment certificate for the Project. Forward-Looking Information

This release includes certain statements that are deemed “forward-looking statements”. All statements in this release, other than statements of historical facts, that address events or developments that Abacus expects to occur, are forward-looking statements. Forward- looking statements are statements that are not historical facts and are generally, but not always, identified by the words “expects”, “plans”, “anticipates”, “believes”, “intends”, “estimates”, “projects”, “potential” and similar expressions, or that events or conditions “will”, “would”, “may”, “could” or “should” occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include changes to commodity prices, mine and metallurgical recovery, operating and capital costs, foreign exchange rates, ability to obtain

required permits on a timely basis, exploitation and exploration successes, continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward- looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
